

Donal Murphy Bio

Donal Murphy was born and raised in Cork, Ireland. Donal has been performing improv for many years and is currently a cast member with ScripTease Improv & Sketch Comedy.

Donal emigrated from Ireland in 1993 and as time has progressed has felt a gentle, but impossible to ignore tug to honor the distinct storytelling talents of his Irish ancestors.

Donal is delighted to be working in partnership with Ann Cavanaugh in bringing the richness and depth of the Irish and Celtic written word to audiences.
